

PARTICIPANTS NEEDED!

You are an immigrant man who...

- ✓ Immigrated to Quebec less than 15 years ago?
- ✓ Currently lives in the province of Quebec?

WE NEED YOU!

The objective of this research is to better understand the access of health and social services by men who recently immigrated and live in the province of Quebec.

The SHERPA University Institute is conducting a study entitled :

“A portrait of health and social services use: Immigrant men’s perspectives”

Participate in our research project by completing the anonymous online survey :

http://bit.ly/immigrant_men

There are no known risks or inconveniences to participating in this study, other than the time it will take and the discomfort you may feel answering certain questions. There is no compensation for participation.
